Job Description

We are looking for a part-time, seasonal Food & Beverage Intern for our Agritourism farm located in Bogart, GA! Our spring strawberry season starts in early April and runs through the end of May. During this time, our food and beverage operations account for over 50% of total sales! The farm has two main food buildings: the Sweet Shack/Pizza Barn where we prepare and sell pizzas, ice cream, kettle corn, donuts, slushies, and lemonade; and our Concession Stand where we serve hamburgers, chicken fingers, French fries, etc.

As our food and beverage operation continues to grow and increase every year, we are always in need of interns with a passion for the food industry to help us make and serve our food and sweet treats! As an intern, you will help with food prep and/or service, and may be responsible for making our homemade strawberry ice cream, freshly popped kettle corn, and/or our homemade donuts for the season!

Additional Job Information

- Pay range is \$10-\$15 and hour based on experience and job performance.
